

TISM
Tomorrow's Teachers
in Science and
Mathematics

3D Learning

Guest Speaker: Dr. Jack Eichler
Professor of Teaching & SMI Faculty Director

Thursday, April 13, 2023

Time: 5:00 - 6:00 pm

Location: 1114 Pierce Hall & Zoom

Scan the QR code to join

Come join us in our first general meeting, where we will be able to discuss with Dr. Eichler about the advantages of 3D Learning.

During this meeting, we will:

- Receive an overview concept of 3D learning, a teaching style that emphasizes the importance of active learning in the classroom
- Understand the importance of scaffolded learning when lesson planning

Hope to see you there!!!
